D. Information About CAPS Accounts

1. It takes 10-14 days to process a CAPS application. When the application is accepted, the CAPS Service Center will mail a welcome package that includes a CAPS account number, password, EFT instructions, and other information.
2. For a CAPS Debit account application, the CAPS Service Center must complete a pre-note test successfully to validate the applicant's bank information before permit linking can proceed. The pre-note process can take 5-7 days to complete.
3. For a CAPS Trust account application, the customer must complete a US\$1.00 test successfully before permit linking can proceed.
4. Use PS Form 6002 to provide information about permits to be paid through a CAPS account. You may also use this form to link additional permits in the future. To link additional permits, submit account information on PS Form 6002 or on company letterhead signed by an authorized contact person for the CAPS account. In CAPS Service Center at the address in Section A. You must establish a permit at the mailing Post Office before the permit can be added to a CAPS account.
5. Submit a change of company contacts, address, or name of the company to the CAPS Service Center:
 - a. Through the Account Inquiry page at <http://caps.usps.gov>; or
 - b. On company letterhead, signed by an authorized contact person for the CAPS account, mailed to the address in Section A or sent by FAX to 650-377-5336.
6. To update bank information for an existing CAPS Debit account, submit PS Form 6003 with a cover letter on company letterhead, signed by an authorized contact person for the CAPS account, and mail the originals to the address in Section A.
7. For mail to be accepted by a CAPS Trust Account, sufficient postage funds must be in the account when mail is presented under any permit linked to that account. All products and services payable through CAPS affect the account balance.
8. For returned debit transactions, CAPS customers must submit the applicable funds via wire transfer immediately upon notification by the CAPS Service Center. Returns for insufficient funds and failure to transfer funds immediately may result in revocation of debit account status or termination of the CAPS account.
9. A CAPS account that is inactive for 18 months or more will be automatically closed. If a CAPS Trust account has a balance of more than \$100.00, CAPS will mail a refund to the account address of record. Send a request for a refund on company letterhead, signed by an authorized contact person for the CAPS account, to the address in Section A.

Application for CAPS Account

A. CONTINUED ACCOUNT PROCESSING SYSTEM (CAPS)

CAPS is an electronic postage payment system that gives customers a convenient, convenient, and cost-effective way to pay bills such as credit cards, Express Mail, telephone bills, utility bills, and more. The system provides an electronic alternative to providing checks just when you need them at multiple Post Office locations.

See the terms for page for a CAPS account. Customers use either Personal Account System.

B. Generalized form account. Customers can use either bank account (ATM or major banks) in the CAPS order system. However, the CAPS account is generally reserved when used for (1) those services that require payment, if you are unable to pay bills directly, submit PS Form 8000, Accounts and Services under Post Office CAPS, along with the form.

C. Continued cash account. Customers designate a debit-credited bank account for payment charges. The bank account is linked to the bank's payment on the first bank business day. If you are opening for a debit account, submit PS Form 8000 and PS Form 8000, CAPS Customer Transfer Authorization Agreement, along with the form.

When you have established the form, you must be signed in CAPS SERVICE CENTER and PS Form 8000, CAPS Customer Transfer Authorization Agreement, along with the form.

For more information about CAPS, see page 2 and the CAPS website at www.usps.com/caps.
